

Resellers agreement:

As always, we hope your experience with Green Baby is a good one!

We ask the following of our resellers:

- No more than 2 boxes of clothes at a time. Check for stains please.
- Please bring in current seasonal items and make sure equipment comes with batteries to test the product. If you do not have batteries, we can deduct \$4.00 from your offer to put batteries in for you. All items (including cribs) need to be *fully assembled*.
- Please be realistic with your expectations. We are sympathetic for how much name brand clothing and baby equipment costs, but please remember there is a limit to how much recycled items can be sold for.
- Certain brand names cannot be accepted due to the very low resale value. Brands like Garanimals, Faded Glory, etc. may be returned just for that reason.

How we work our resale:

- We select the items we believe can be resold based on our previous sales. We price each item as we would to put it on the floor for sale. We total up all of your items and then we offer about 40% of what we can sell at/ 25 % for toys. If you opt for store credit, we add 15%. Turnaround is 1-3 days. Check/ cash payments must be picked up in one week from issue date or will be put in as store credit. No exceptions, sorry.
- We will call you as soon as possible with a cash offer/ store credit offer. We will need to know which you choose so we can get your items processed. **If we do not hear back from you within 3 days, we will put your items on the floor to sell.** If for whatever reason you choose to not resell, we need to know right away (within the 3 days) and your items will need to be picked up promptly.

**** due to our limited space, any items left here for more than 10 days will be donated.**
